Festive Magic Comes Alive

at Th8 Palm Dubai Beach Resort

Let the spirit of the Nutcracker dance across the Palm,
with infinite and playful wonder.

A Nutcracker Tale on the Palm

Once upon a December, a ballerina traded her stage for the shore.

She twirled past the palms, followed the sound of music and found herself at Th8 Palm Dubai Beach Resort. A Nutcracker in his finest red coat was waiting by the water, with twinkling lights, clinking glasses and the Dubai skyline putting on a show of its own.

And so, our festive tale begins.

Expect long lunches, late-night feasts, sparkling celebrations, sandy toes and a little festive mischief along the way. From Christmas Day by the beach to the final toast of the year, every chapter is made for gathering, indulging and making memories.

The stage is set. The characters are ready.
All that's missing is you.
